**Individual & Class Recital Portraits**  
Saturday, April 29, 2017  
Dress Rehearsal - West Orange High School

**CHARLES ANTHONY STUDIO** will be taking individual and class portraits at Dress Rehearsal on Saturday, April 29, 2017. Pictures will be available for pickup at the Recital.

**Please bring the attached order form and cash or check payment to Dress Rehearsal.** Payment will be made directly to Charles Anthony Studio upon order at Dress Rehearsal.

**CLASS RECITAL PORTRAITS:**

Only classes that I have been informed that parents/students would like the class portrait of will be photographed at Dress Rehearsal. The classes will be escorted to the lobby by the dressing room worker to take class portraits after they are done performing on stage. When the class is finished with their photo, the dressing room worker will escort the class back down to the cafeteria/dressing room where the students will sit at their designated seat until the parent/guardian signs them out and picks them up. **Class photos will be taken before individual portraits.**

**INDIVIDUAL RECITAL PORTRAITS:**

Students may have individual recital portrait taken in the lobby at Dress Rehearsal. After the student is done dancing and the parent/guardian has signed the child out, they will then proceed to the lobby for the picture. **Class photos will be taken before individual portraits.**
